Tryout and Evaluation Period

Welcome to Highland Park Soccer Academy's Open Tryout Event! We are so glad you are here. Tonight's tryout event kicks off an evaluation period, and players are now invited to attend team practices. At the tryout event and subsequent team practices, players are evaluated as they practice with players their own age. Player attendance, participation, sportsmanship will set expectations for skill development required, which team they make and playing time. After the evaluation period is complete, the first round of Academy-aged players (born between 2019-2016) will be notified by the end of May. Select players (born in 2015 or later) will be notified on July 1.

HPSA Program

Coaching Overview

Coaching for your child's team will not be determined until we know how many players in the age group are joining and have evaluated each player's skill set over the coming weeks and months. Age groups with enough players for multiple teams will have teams named Gold, Navy and White. League play begins in August, and teams and coaching will be firmly established in July. Teams are established on an age-pure basis.

Attendance

Attendance is a critical evaluation criterion and a major item for families to consider before joining HPSA. Teams require full participation, so if families already know that their schedule cannot accommodate this level of commitment, we ask you to hold off joining until it does. Our teams want to be competitive, and we all work hard to ensure that they are. Player attendance to all practices and games is something we cannot stress enough.

Year-Round Training

We practice twice a week and play in league games or tournaments year-round, meaning we practice January-December and participate in games each calendar season except summer. While we are closed when HPISD is closed, some leagues continue to hold games during holiday vacations. It is important to ask coaches and team managers about the team's calendar year of events to know whether your team will possibly have games during Winter and Spring Breaks.

Extra Training is Available

HPSA offers and encourages participation in [Futsal](#) (indoor soccer) and [Friday Skills Training](#) to current and non-HPSA players who are interested in extra training to improve their skills. More information is available on our website (<https://hpsocceracademy.com/>) under the "Training" tab.

Communication and Schedules

Team Managers

Each team has a volunteer team manager who is a parent on the team. This person is responsible for helping coordinate schedules and arranging team-bonding social events.

HPSA App

HPSA uses a proprietary software application we refer to as the “HPSA App”. The HPSA app does not need to be downloaded from an App Store but is web-based. You can find information about the HPSA App under the App Support tab on our website.

The screenshot shows the website header for Highland Park Soccer Academy. At the top right, there are links for "TRYOUTS | REGISTER". The main header features the club's crest, which is a shield with "SCOTS" at the top, "HIGHLAND PARK" on the left, and "SOCCER ACADEMY" on the right, with "HP" in the center. Below the crest, the text "HIGHLAND PARK" and "SOCCER ACADEMY" is displayed in large white letters. A navigation menu is located below the header, with items: "Coaching", "Information", "Teams", "Practice Schedule", "Tournaments", "Training", "Club Calendar", and "App Support" (highlighted in yellow). Below the navigation menu, the page title "HPSA App Support" is shown in large white text, followed by the subtitle "How to navigate our club management platform" in smaller white text.

- Signature forms for leagues. Some forms require multiple signatures, so please continue signing forms until you can submit.
- Birth certificate. To verify age, leagues require birth certificates for all player registrations.
- Head shot. To verify player ID, referees compare player head shots and jersey numbers to the printed roster for the team prior to each game. Head shots should only include shoulders and head.
- Dues Payment.

From all of us at HP Soccer Academy, congratulations! We are looking forward to a great season and are excited to have you be a part of it.

Thank you.

Highland Park Soccer Academy

Registration Forms

The following forms will be available in the HPSA App for signatures. Some forms require more than one signature, so you will need to continue to sign the forms until a pop-up “Save” button appears.

- Player Commitment
- Parent Contract
- NTSSA Player Registration Form
- US Club Youth Player Registration Form

Birth Certificate

A photo of the player’s birth certificate must be uploaded in the HPSA App for leagues to verify player age.

Head Shot

A player head shot is required and will be printed on the roster for officials to check players in on the sideline before every game. The head shot should be like a yearbook photo. It will be less than an inch tall, so it should only include from the shoulders up and be very recognizable for a referee to distinguish that the player is who the roster claims him/her to be.

Thank you!

Thank you for your interest in HP Soccer Academy. If you have questions, please email us at inquiry@hpsocceracademy.com.
